

foundation oikos

An initiative open to every actors, ideas, and goodwill

We promote CSR in motion, **inclusive, global, coordinated.**

We know that the progress of CSR will depend on a wide opening to stakeholders so that they appropriate, transform and share the CSR material.

Our ambition is to provoke these different meetings and make them fruitful.

YOU ARE WELCOME

- Private and public organisations
- Companies of all sizes
- Local and regional authorities
- Employees, students, trade unionists
- Project leaders, service providers
- General public
- Media
- Experts, teachers
- and all those who join the movement

A PROGRESS PATH FOR EVERYONE

Whatever your level of knowledge, sensitivity or ambition, we will be able to offer you the course, the solutions, tools and spaces that meet your objectives and your means.

A complete and coherent proposal of tools, solutions and applications
